Bidgydanga 9.1 - 51

After a long hard pre-season of training and recruiting, the Broome Bulls registered their first win of the season (and first since 2009!) with an emphatic 64 point win over the Bidgydanga Emus. Getting off to a flyer the boys piled on 6 straight goals in the opening quarter before a lapse in concentration saw Bidgy get on the board with 2 late goals, Ashley Hill fresh from his Vietnam Adventure snapped 2 early goals and was dangerous running off a forward flank. The second quarter was a tighter affair with Bidgy punishing loose manning up by the boys, kicking 3 goals apiece but having more run going into half time, solid defending by Jimmy Eadie, Casey Mazzoletti and Alan Wilson keeping it within check. The 3rd quarter saw the Emus with their tails up, teaching some of the new boys the speed in the Kimberley that can turn games on their head, scoring some crucial goals and getting them to within 2 going into the last quarter.

Knowing they had a fight on their hands, the boys came out in the final term full of run and blew them away with an 8 goal demolition to show the comp that the solid pre-season they've completed will be a telling factor in our games this year. Billy & Francis Shoveller showed they have plenty to offer kicking 5 goals between them and Jeremy Hall almost scored the goal of the season, running and carrying the ball all the way from full back but eventually handballing 15M out! Solid performances in the middle from the Moon Unit,

Brad Howard, Matthew Jordinson, Tim Richter and Captain James Stewart provided plenty of toughness and gave us first hands on the ball for most of the day. Overall it was a solid performance all over the ground from a more balanced and better skilled Bulls outfit. The Bulls song, unheard for the entire 2010 season was sung with plenty of voice and vigor at the end of the game - even though 3/4 of the team didnt know the words!
